COMMENCEMENT CEREMONY DECORUM AND COURTESY

The faculty and staff at The University of Alabama congratulate you on your academic achievement and wish to ensure the commencement ceremony will be a fitting conclusion to this phase of your education!

The University of Alabama Commencement ceremony is, by its very nature, a festive occasion. The festivity manifests itself in many ways including the dress of the students; the faculty adorned in academic regalia; and the warmth, joy and satisfaction of accomplishment. The ceremony is also marked by seriousness where the actual conferring of degrees signifies long, hard work on the part of everyone involved: students, faculty, administrators, parents and spouses. As a consequence of the serious nature of the ceremony, students and guests are expected to maintain a measure of decorum consonant with the occasion.

The University community requests that audience participation be of respectful celebration honoring the commitment to learning and the fulfillment of dreams shared by all degree candidates that today walk across the stage. This element of respectful celebration also extends to the parents, guardians and spouses whose labor and support brings pride to the fulfillment of these dreams, and to the family members aspiring to one day have their moment of “walking across the stage.”

CEREMONIAL FLAGS

Today we celebrate commencement at The University of Alabama. To commemorate the University’s most sacred ceremony, we draw from academic traditions that are centuries old. The Commencement “A” you see throughout these materials and on the commencement flags was first introduced to mark the Capstone’s conferral of degrees at the turn of the century. The Commencement A is a seventeenth-century, Gothic font appropriately named “Diploma.”

DAVID V. REIMSCHUSSEL CAPSTONE INSPIRING EDUCATOR AWARD

The Capstone Inspiring Educator Award salutes a high school teacher, nominated by a member of the University of Alabama graduating class, for their inspirational approach to teaching and commitment to helping students achieve their highest potential. Graduating senior Rita Allyse Martin, a psychology major in the College of Arts and Sciences from Stockbridge, Georgia, nominated this year's Capstone Inspiring Educator, Mr. David V. Reimschussel.

Mr. Reimschussel is the Director of Choral Activities at Westfield High School in Chantilly, Virginia. Originally from Wilmington, Delaware, he attended the University of Delaware where he studied choral music education with Dr. Paul Head. Choral ensembles under Mr. Reimschussel's direction have consistently received superior ratings at district, state, and regional competitions and festivals.

Mr. Reimschussel has twelve years of high school choral teaching experience in Delaware, Maryland, Georgia, and Virginia, including his work with the Georgia Governor's Honors Program, the Delaware Governor's School of Excellence, the Delaware Theater Company, and the Upper Chesapeake Summer Center for the Arts.

Previously, Mr. Reimschussel was the Director of Choral Activities at Woodland High School and Stockbridge High School, both in Stockbridge, Georgia, and Perryville High School in Perryville, Maryland. He has held various "extra duty" positions over the years including fine arts department chair, assistant athletic director, special events coordinator, baseball coach, vocal coach, and technology support leader.

Mr. Reimschussel has been listed in Who's Who Among American High School Teachers. He is a member of the National Association for Music Education, American Choral Director's Association, Phi Mu Alpha Sinfonia, and the Spivey Hall Education Committee. He currently resides in Northern Virginia with his wife Tracy. He has a passion for teaching students and providing them with opportunities to acquire the skills, knowledge and attitudes to become independent, life-long learners. He instills in his students an awareness of music's important role in the enrichment of the human spirit.

In nominating Mr. Reimschussel for this award, Ms. Martin wrote: "I credit Mr. Reimschussel with opening my mind and revealing to me just how massive this world is and just how universal the struggles of life are to all of its inhabitants. My studies of psychology and political science have not directly employed the vocal tools that I mastered during my four years in the choir room. However, I know that I am a better person because I was taught by Mr. Reimschussel to think and act as a citizen of the world."

THE ACADEMIC PROCESSION

The processional signifies the beginning of the commencement ceremony. The Commencement Marshal presides over the Academic Procession; leads the platform party to the stage; escorts the honorary degree candidate and the special recognition recipients to the presidential podium for honorary degree conferral or special recognition citation reading; and signifies the closing of the ceremony by leading the platform party from the stage. The Commencement Marshal is the bearer of the ceremonial mace. As the processional music begins, the procession led by the candidates, followed by faculty, then the platform party, will enter the arena floor and go to their designated seating. The audience should rise once the processional music has begun and remain until after the invocation.

The caps and gowns worn by graduates, faculty and platform party are based on the academic costumes used in universities of the fourteenth or fifteenth centuries, particularly at Oxford and Cambridge. These academic costumes, sometimes referred to as academic regalia, are based on the early European universities costumes, and these have been used in the United States since colonial times. In 1895, American universities responded to a growing problem of varying academic costumes by creating an Intercollegiate Code to establish standardized academic costumes. Black is the most common color of academic gowns.

In the fall of 1999, a new doctoral gown was authorized for all University of Alabama students earning a doctorate degree. Designed to distinguish University of Alabama doctoral degree graduates, this new doctoral gown was introduced for the 21st century. The new doctoral gowns were worn for the first time at the May 2000 ceremony.

The doctoral gown includes two crimson University of Alabama seals on the front panel of the gown, while the traditional doctoral bars are piped with crimson. The new doctoral gowns place The University of Alabama among a select group of universities who have their own doctoral gowns including Harvard, Yale, Stanford and Princeton.

The members of The University of Alabama Board of Trustees wear doctoral gowns of charcoal gray trimmed in black velvet. The Commencement Marshal wears a crimson doctoral gown trimmed in red velvet. Graduates may be identified by the color of the tassel on the black mortar board which signifies the School or if they are receiving an advanced degree, the color of the band on the hood, which signifies the field of study.

The University of Alabama awards degrees with honors to undergraduate students in all schools and colleges who throughout their academic careers consistently achieved meritorious scholastic standing. These designations are summa cum laude, magna cum laude and cum laude. Summa cum laude is the highest academic distinction awarded. Degree candidates with honors wear stoles in the traditional colors of their school or college. Silver cords indicate participation in the University Honors Program. Royal blue and gold cords indicate participation in the International Honors Program. Computer Based Honors is represented by the purple honor cord.

At the conclusion of the ceremony, the audience will rise for the singing of the “Alma Mater” and the recessional. The words to the “Alma Mater” are printed on the back cover of the program. The recessional is led by the platform party, followed by the faculty and the candidates. Candidates should meet their family members and guests at predetermined designated areas outside the coliseum.

The University of Alabama conditionally confers degrees upon all candidates for the degrees of Educational Specialists through undergraduate. Candidates for Doctor of Education, Doctor of Musical Arts, Doctor of Nursing Practice, and Doctor of Philosophy degrees are actual degree recipients and will receive their diploma at the ceremony. Diplomas for all other candidates who successfully meet degree requirements will be mailed to their permanent address of record upon the completion of final grade submission and degree verification, approximately one month after the ceremony. Honors designations are calculated on previous semesters grade point average. The honor announced, depending upon calculation of final grade point average, may change or in some cases the degree candidate may not actually graduate with an honor designation.

Undergraduate degree candidates wearing the crimson mortar board have achieved a perfect 4.0 grade point average for all of their University of Alabama course work.

An interpreter for hearing impaired spectators will be stationed on the stage and displayed on the Jumbotron.

Drinking fountains and restroom facilities are located on the main concourse area of the Coliseum.

This program is not an official graduation list.

This printed program lists students who held the status of degree candidates during the spring term and may, pending the outcome of final examinations and final grades, become graduates. Therefore, it should not be used to determine a student's academic or degree status. The University's official registry for conferral of degrees is the student's permanent academic record kept by the Office of the University Registrar, 206 Student Service Center, Box 870134, Tuscaloosa, AL 35487.

Alma Mater

Alabama, listen Mother
To our vows of love,
To thyself and to each other
Faithful friends we'll prove.

Chorus:

Faithful, loyal firm and true
Heart bound to heart will beat
Year by year the ages through
Until in heaven we meet.

College days are swiftly fleeting.
Soon we'll leave thy halls,
Ne'er to join another meeting
'Neath thy hallowed walls

Chorus

So, farewell, dear Alma Mater,
May thy name, we pray,
Be revered ever, pure and stainless
As it is today.
